

SIZE GUIDE

Cargo Pants and Cargo Shorts

How to measure for your cargo pants and cargo pants
Place your favorite shorts or pants that fit you well flat on a table.
Compare your measurements with ours, which you can find via the instructions below.

A Waist

Measure the distance from one side of the waistband to the other. Multiply this figure by two.

B Hips

Measure the distance from one side of the pants to the other, at a distance of 3 inch or 7.5 cm from the crotch. Multiply this figure by two.

C Inseam

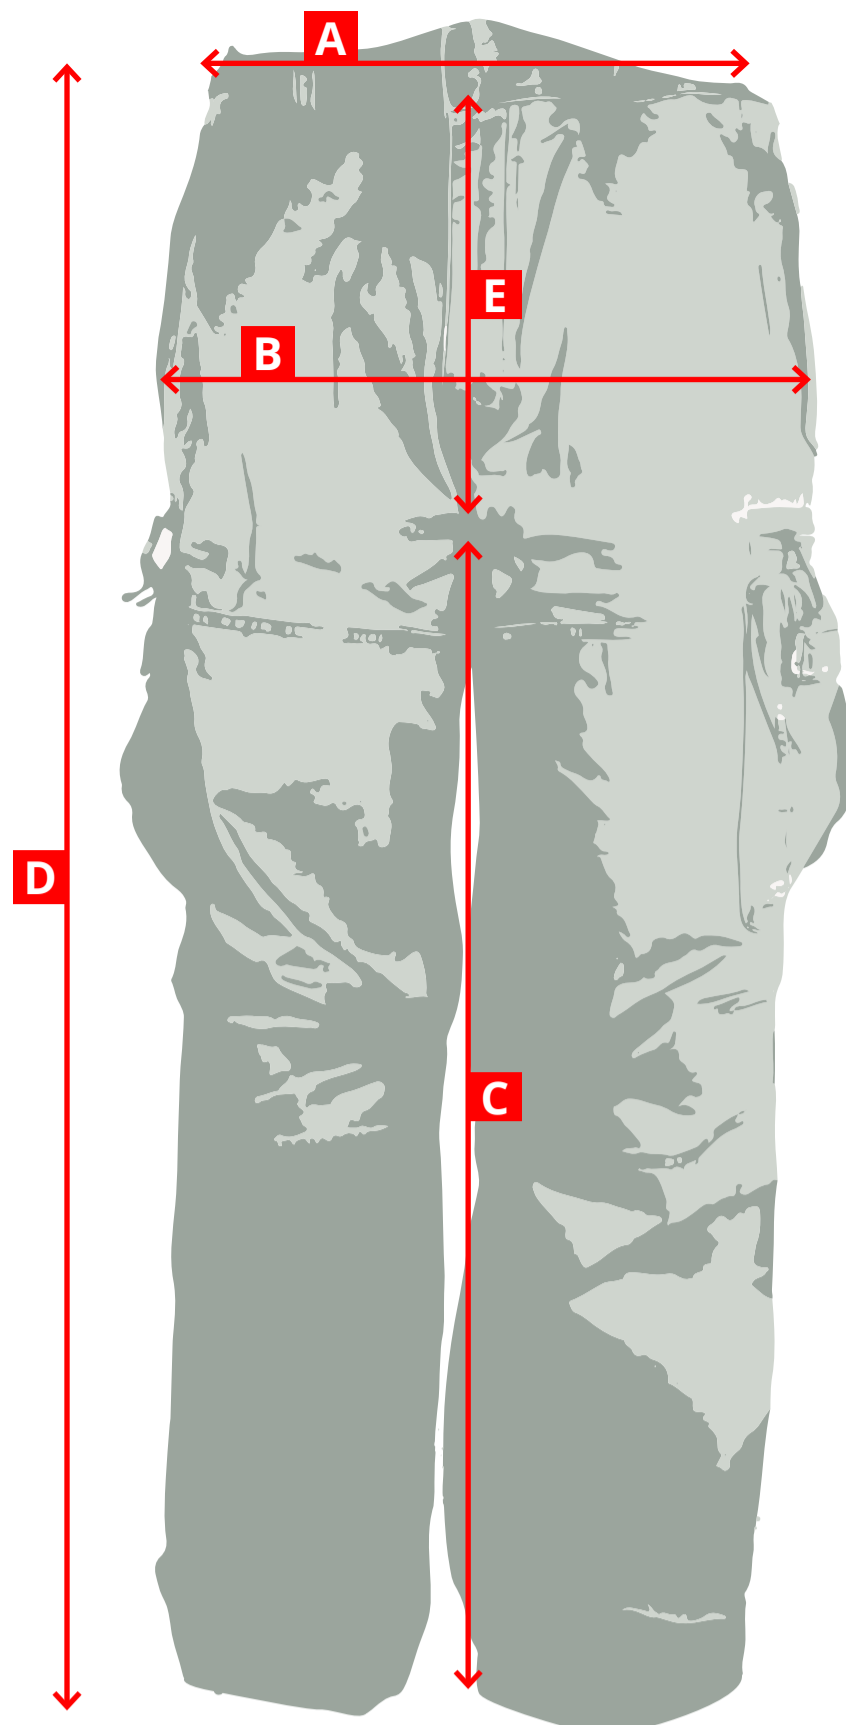

Measure the length of the inside of the leg from the bottom up to the crotch.

D Outseam

Measure from the top of the waistband to the bottom of the pant.

E Crotch

Measure from the seam at the very center of the pants crotch to the top of the front waistband.
